**COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE**

In the Notice of Allowability attached to the Notice of Allowance mailed on May 11, 2004, the Examiner provided a Statement of Reasons for Allowance. Although Applicants gratefully acknowledge the Examiner's Allowance of the present claims, it is noted that the Examiner's Statement of Reasons for Allowance vaguely characterized the allowed claims without a correlation to the features recited in these claims. Moreover, at least some of the features recited in the Examiner's Statement of Reasons for Allowance are clearly not recited in the allowed claims. Applicants respectfully stress that each of the independent claims is patentable based on the combination of elements as recited in that respective claim.

Respectfully submitted,
